Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Please see replacement Page 7 for the Office action of March 24, 2004. The replacement page reflects an informal amendment to claim 19 entered by the examiner to correct the examiner's error in transcribing Claim 19 as presented by Applicant on December 22, 2003. The examiner's original amendment was not intended to change the claim dependency as presented by Applicant.
